

Discussion on Taiwan-related Archives of the United States, Australia, and the United Nations

Cheng-yu Tu

ABSTRACT

This essay introduces the archives related to Taiwan collected by National Archives and Records Administration (NARA) of the United States, The National Archives of Australia (NAA), and United Nations Archives and Records Management Section (UNARMS). Experience of visits to these archives is also presented with comments and suggestions made for future collections.

Keywords: United States, Australia, United Nations, Taiwan, Archive
